Dear Bishop James Jones

**Certification of Completeness of Search and Provision of material to Gosport Independent Panel**

Following your letter of 9 November, I now enclose the signed Certificate of Completeness. I consulted the Department Manager to check whether there might be any remaining files that we had not uncovered (which there were not), and therefore the signature of Mrs Oldham, the Manager, is also included on the form. I hope this is satisfactory.

I am now fully retired and my visits to the office are irregular, and this letter is sent from my home address, which is given above.

Yours sincerely
