PAUL WINDSOR

Hi

This chap just rung back to say that his sister has apparently already been in contact with you so forget he called!

All the best

Dear Peter

I have just taken a call on the helpline from Mr Paul Windsor who saw an item on the news last night and wonders if his Mum Norma was on of the families that was mentioned.

Could you call him back to discuss it on

His address is

He is going on holiday on Thursday morning and will be in and out before then so if you can't get through, he asks that you keep trying.

All the best

Ruth Powell
