*

Coroner said 5 of 6 was directly which deaths shall be investigated

jury inquest

to weeks old 9th Mar. 2002.

CMD report not released. but will return to Des.

Coroner good as likely to get.

Meeting yesterday wanted to be private if need to be careful re press release

Dr Barton's said the MDCU - being difficult and obstructive.

but Des about who was prescribing levothyroxine but doctors other than Dr Barton named as witnesses to be interviewed.
