

for patient safety and justice

Ms Ann Keen MP
Parliamentary Under Secretary of State
Department of Health
Richmond House
79 Whitehall
London SW1A 2NS

3 February 2010

Dear Ann

Gosport War Memorial Hospital – Public Inquiry

I am writing once again to ask you to call a public inquiry into issues raised by events surrounding Gosport War Memorial Hospital. When we last corresponded about this you said that you wanted the GMC to conclude its business first, before you made a decision about it.

As you know, the GMC's procedures were concluded last week.

I look forward to hearing from you.

Yours sincerely

Code A

Peter Walsh
Chief Executive
