Hi Dan

**Re Gosport - Meeting with Norman Lamb MP
3 November 2009**

We are due to hold a meeting at 12.30 pm on 3 November 2009 with the Lib Dem Health Spokesman at Parliament with some of the relatives. We should have some photo opportunities afterwards.

I anticipate that Norman Lamb will make a statement but I have prepared a draft statement for me just in case I am asked to say anything instead.

Please can you check the draft for me and suggest any corrections and improvements. Please remember that I anticipate saying it out loud.

Many thanks

Best wishes
