Tel call with Mrs MacKenzie

Telephone In 3 Units (John White) - Other - Please specify in diary description

JCW having a long telephone conversation with Mrs MacKenzie. She is obviously upset that the Coroner has set back the Hearing date.

It is important to be aware that we do not want the Hearing before the summer break because we are still waiting for Professor Forrest's opinion. Nevertheless, the delay is very disappointing.

Please see emails for details.

She will approach the Coroner's office directly to emphasis to that they ought to get on and list the Hearing. I will get on and do the same. The Coroner is away until 19 April 2012 but his officers ought to be able to list the date because they will have access to his diary.
