Dear Mrs Mackenzie

**Re: Gladys Mabel Richards (deceased) – Inquest**

Thank you for your recent emails and updates which are most helpful. I just wanted to confirm that Mr Horsley is fully aware that we want to instruct our own independent medical expert. At the moment I am waiting for the Barrister, Mr Meighan, to prepare a formal Advice which I will need to send to the Legal Services Commission in support of our request to them to fund provision of the independent expert. I have been in email correspondence with Mr Horsley but I will also write to him to emphasise the steps we are taking so that he can factor these into the timetable for listing the hearing.

I hope you are managing well and I will be in touch again shortly.

Best wishes.

Yours sincerely

**John White**
