Have heard nothing. Suggest you go ahead and book me. It wouldn't be the first time I have been piggy in the middle in a CPS v Coroner dispute. CPS can have me for the first 2 weeks of September for their trial in Hove/Lewes.

Subject: Op Almer trial

Hi Jackie

You know, I think, that i have been asked to give evidence at an inquest in Hampshire during the last week of the Op Almer trial, (Week commencing 17th September).

The simplest thing would be if i were to give my evidence at some time in the two weeks preceding the Inquest.

If that isn't going to happen, then I need to inform those timetabling the inquest when in the week starting 17th September i am going to be needed in Hove/Lewes. And they have asked for that information by close of play today....

Can you help?

best
