Importance: High

Dear Prof Forrest

I was wondering if it would be possible if you can revert to me with your timetable before the end of play today as we need to go back to the Coroner by tomorrow to confirm that all witnesses can attend the Inquest for the week commencing 17 September 2012.

Kind regards.

Currently on a coroners training course. Will revert to you with a report time table asap

I am warned for a complex rape trial from 3 - 21 September in either Hove or Lewes. I'm for the prosecution so i wouldn't anticipate a clash, but i will inform Sussex Police witness liaison at once

SENT FOR AND ON BEHALF OF JOHN WHITE

Dear Prof Forrest

We write with an important update.

Please can you return to us with a timescale with regard to receiving your report. Also, separately, the Coroner has now moved back the date of the Inquest. He is looking at week commencing 17 September 2012 with a time limit of five days. We anticipate that you would need to attend for one day, in about the middle of that week.

Please can you contact John White as a matter of the utmost urgency concerning the proposed date for the Inquest and we look forward also to an update with regard to progress with your report.

Thank you for your help, which is much appreciated.

Best wishes.

Yours sincerely

John White
