Telephone call to track down Prof Forrest

Telephone Out 1 Units (John White) - Unknown - Gladys Mabel Richards (deceased)

Telephone call to The Sheffield Medico Legal Centre to find out if they had contact details for Prof Forrest. They gave me an email address for him: Code A

Telephone call to the Coroner's Office in Hull. They advised that Prof Forrest was Assistant Deputy Coroner but was not based there. They also had the same email address for him and she said that was the best way of reaching him. She said that she would not give me his mobile number as he always has it switched off as he is either in Court or at meetings.

I thanked her for her help.
