Dear DCI Burt

**Re: Mrs Gladys RICHARDS (Deceased)**

Thank you for your letter dated 24<sup>th</sup> November 2000 confirming that the investigation is now 'on hold'.

As you know this is quite timely and allows me to recapture a considerable amount of my own personal time.

Thank you also for letting me know your new business address and telephone number. When we have confirmation of our new postal address and the new telephone/fax numbers I will let you know by writing to your Winchester Office.

In the meantime, Mrs Livesley joins me in wishing you and all your Team a most enjoyable and happy Christmas and continuing success in the New Year.

Yours sincerely

Brian Livesley MD FRCP
