Subject: gosport war memorial hospital inquiry

Hi
I am Martin Parker

Code A

My father was in the gwm hospital during the time and died there on 27/1/99 I have had a feeling that his death was unexplained as i saw him the day before he died and got a phone call on the 27/1/99 at 8pm at night to say your father is dead His death certificate was signed by Dr Jane Barton

The reason not including a phone number is that only got a land line and do not want to upset my mother my fathers widow
I was wondering if you could send me details of the people who helped get this inquiry organised so that I can just chat to them

Thank you for you help

regards

Martin Parker
