#CODEJ4

In Gosport - Dolphin Day Unit. Patient delighted with hospital facilities. Away Day Sultan Philosophy exercise. Priorities - changes IV ???? training. In Daedalus poorly attended. Action management group/talks on self medication ???? Nurses in Away day Out patient day forum facilities eg. computer skills, DNA for OPD appointments, medical training awareness of National Service Frameworks. Introduced automatic extend defibrillator. Tools group multidisciplinary. Bed rail audit worked with H grade elderly people. Documentation etc.

#ENDCODE

#CODEI2

Alert training, gerentological programme. Participant Action group has two persons.

#ENDCODE

#CODEK1

Meets with **Code A** regularly.

#ENDCODE

#CODEB3

Clinical Network group being maintained.

#ENDCODE

#CODEB2

Examples of working with **Code A** No specific examples. Training and Development "can you make sure that people get ??? training.

#ENDCODE

#CODEJ8

Joint working. Automatic extend defibrillator. Hospital wide policy where should automatic defibrillator be carefully maintained. Nurses debrief after an incident. DNR? All E&D grades are trained through other funding. All Ortho staff are trained. Results empowering

nurses.

#CODEI2
Clinical supervisor, leadership course brought reflective practice into reality. Challenging them into self-Audit. One-off action learning group around a complaint. Issues debated over - resulting in a solid action plan. Move from anger to improved thinking to change.
At Petersfield, does not know about Gosport.
#ENDCODE
#CODEJ8
Has done no Critical handling review in Gosport. Staff must make decisions to change. 7 multidisciplinary meetings not very effective.
#CODEG2
Complaints from relatives that nurses were not listening.
For change request, any staff can suffer this, but needn't be confirm as system approach.
Critical incident to Trust Board Action Plan with Trust Board.
Critical Incident training feedback and training, facilities action plans is not happening in all hospitals in particular, not Gosport. Suggest asking Clinical Network Group. Nurses sometimes fail to recognise good practice.
#ENDCODE
#CODEB2
3 monthly meeting with Code A Training, Development. Is everything OK? Asks about Gerentological developments, ???? training discussed.
#ENDCODE
#CODEJ1
Complaint issues inferred discussed. Not individual issues. Two meetings of Clinical Network Group - mainly verification of guidelines.
#ENDCODE
#CODEJ5
Complaint issues inferred discussed. Not individual issues. Two meetings of Clinical Network Group - mainly verification of guidelines.
#ENDCODE
#CODEI2
Take up of gerentological training variable more positive of those need to reflective practice. At first Anti, the positive towards Action from S Gorpals, Daedalus, Dolphin Day, Sultan.
#ENDCODE
#CODEA5
Developer group patient involvement, feels strongly that they should be multi-disciplinary, should involve patient.   ???? lady from Petersfield Insight will give an enourmous.
