#ENDCODE

#CODED8

Government forms and info and some INSET training - nurses need to be engaged and trained. How will this be implemented? Do have clear aim in her head - not a clear implementable plan. One problem will be identified link person together. Who to talk to about dining change - Nicky/ Manager - professional lead.

#ENDCODE

#CODED8

Get frustrated - nurses may not be as aware of MDT working as physios.

#ENDCODE

#CODEB3

Goal setting in point of fact physio felt last year has been done badly. Now INSET improving.

#ENDCODE

#CODEG1

Patients asked what they want from therapy.

#ENDCODE

#CODEG7

Where is give going to be? Pressure is going to be outside in community.

#ENDCODE

#CODEA5

Where is give going to be? Pressure is going to be outside in community.

#ENDCODE

#CODEC4

Prioritise rehab - ie. early strokes, orthopaedic patients can hand over to nurses.

#ENDCODE

#CODEE10

Prioritise rehab - ie. early strokes, orthopaedic patients can hand over to nurses.

#ENDCODE

#CODEG3

Waits in community - out patients - v. bad. Can be a year.

#ENDCODE

#CODEG1

Patient hard to get it right - always want more.

#ENDCODE

#CODEC7

Stepping Stones project to improve shift between hospital and home.

#ENDCODE

#CODEE1

Stepping Stones project to improve shift between hospital and home.

#ENDCODE

#CODEA5

Work with groups of patients, plan which patients for 6 sessions eg. tea dances, nativity plays etc., more confidence to do things. Want to keep themselves fit. Contact Nicky Super 3 manager - ??? G&F pt stroke spec.

#ENDCODE

#CODEE10

Barthel Score used as a rough guide.

#ENDCODE

#CODED8

Surveys on wards do not involve physio. Stepstones good as it gets.

#ENDCODE

#CODEK2

Surveys on wards do not involve physio. Stepstones good as it gets.

#ENDCODE

#CODEC4

Falls assessment - big thing - more awareness leads to referrals.

#ENDCODE

#CODEC4

OT - follow patient from QA (ortho)

PT - follow patient home to here

OT - neuro OT in house

#ENDCODE

#CODEG7

MDT - huge impact - social worker day longer, any old social worker turns up.

#ENDCODE

#CODENC

MD warning admitted December 2000.
