Dear Mr Morris

**Dr Keith Mundy, Consultant Physician and Geriatrician-**  
**proposed work with CHI**

You may be aware that Dr Mundy has recently completed a piece of work for the Hampshire Constabulary.

The Commission for Health Improvement is currently undertaking an investigation at the Gosport War Memorial Hospital. As Dr Mundy contributed to the police work, which triggered the CHI investigation, I have approached him to undertake a short piece of work for CHI, reviewing recent case notes.

Happily Dr Mundy would like to contribute to this work and suggested I write to you as a courtesy to outline the time commitment. The work involves approximately two days of reading and a one day meeting at CHI's offices in London. CHI will reimburse the trust for time spent, once the work is completed and will pay any travel expenses etc.

Please call me if you need any additional information. I am hopeful that, once completed, the investigation report will provide some important learning for the NHS in terms of care for older people.

Yours sincerely

**Julie Miller**
