Thanks. I have various meetings today, but the number below will get you through to my mobile. Tomorrow I am in Leeds, but again the number below will get you through to my mobile.

I doubt the police would reopen matters, although they will obviously need to see what the jury and the coroner say. The GMC proceedings will be able to proceed after the inquest, but that is for the GMC to take a view on.

Colin

Sorry to spoil your leave - Press Office have just learnt that the jury in the Inquest has gone out which means a verdict is possible later today/tomorrow - will you be contactable just in case? I'm assuming that the Coroner will find unlawful killing but not sure what the next steps would be for us if that were the case (could it continue to the GMC/NMC track or would it need to go back to the Police for yet more investigation?).

Mark - just for info in case we need the Sol perspective.
