Hello Jenifer

Please could you let us know if Dr Kemp's appointment will need Board approval, or does a requisition need to be raised?

Many thanks for your help

Hi Jenifer

Please see e-mail below from Dr Kemp. Terry asked me to liaise with you as regards rates and appointment letter etc. Will Dr Kemp's appointment need Board approval or if it is to be handled as consultancy work does a requisition need to be raised? I'm attaching the amended appointment letter for your information.
Thanks.
Judy

Dear Dr Kemp

Further to Terry Renshaw's e-mail to you dated 12 July, could you kindly confirm if you are able to undertake this work for us?

Many thanks.
