Dear Mr Farthing

I suspect that your email has bounced back as you used the Minister's non Ministerial email address. There is a strict Parliamentary rule that Members of Parliament do not respond to matters raised by the constituents of other members, UNLESS in a ministerial capacity.

We will write to the Minister, enclosing a copy of your email.

Regards

Susan

Dear Susan,  
I'm sorry that I need to ask you if you would be so kind as to forward on my letter (below) on to Ann Keen as, using the email address in her website, my letter has bounced back.  
The copy to Mr Hoban seems to have got through.  
Please advise when done.  
Kind regards,  
Charles Farthing

Re. PO00000375969

Dear Minister,

Thank you for your reply to my letter of 27 Nov 08 through Mr Hoban to which I would be grateful for further clarification, and am writing direct as advised by his office.

Your reply does not answer my concerns about why a Public Enquiry was turned down, and also why the Coroner has been denied access to leading=20Counsel's advice. Would you please look again at this, as I understand that the Coroner's powers are limited to merely identifying the identity of the deceased person, the time and circumstances of death, the cause of death and how the deceased died. It is not to establish civil or criminal liability although there are strong reasons for believing that criminality was involved and that the police investigation was inadequate.
