Dear Mr Hoban,

You will no doubt be aware that the GMC enquiry has found Dr Barton guilty of Serious Professional Misconduct but fell short of having her struck off the professional register despite the Chief Executive of the GMC holding a contrary view. Again, clearly, there are suspicious forces at work here, and a public enquiry seems to be the only way of getting to the bottom of this matter and satisfy the families involved, including myself.

As my representative at Westminster, I would ask you again to lobby the minister on this issue, and to sign Early Day Motion Number 691 'Deaths at Gosport Hospital'

I look forward to hearing from you.

Kind regards,

Charles Stewart-Farthing
