Good morning, Jane

Well at least you now have a date! Richard's title is Director of Corporate Affairs and Fiona is Assistant Director of Clinical Standards. Good luck

Dear Hazel, Thank you so much for your visit last week. The following day I heard from my solicitor that we have been given a provisional date for my GMC Disciplinary Hearing: the 8th September 2008. It is scheduled to last for 8-9 weeks and ironically I have my sixtieth birthday half way through the proceedings so I could be retiring next October one way or the other!!!! How appropriate that you kindly contacted Richard Samuel and Fiona Smart and got a prompt reply. Could you possibly let me have their official PCT titles so that I can give them this information in writing. I am grateful for all your help and support with all this. Cheers Jane Barton
