In Confidence

Dear Liz

Your letter of 15th May 2001 is acknowledged and Mike Woodford our Force Solicitor will be responding.

In the meantime, given the fact that recent events may lead us to widen the investigation, it would be prudent to advise you now , in the strictest confidence please, that other members of the nursing staff at Gosport War Memorial Hospital have been interviewed and may be further interviewed in the future.

You will have noticed in Professor Livesley's report that he has also commented in respect of Staff Nurse Margaret Couchman and Registered General Nurse Christine Joice and has expressed his view that there may be a measure of criminal culpability.

I would be grateful if you would note the above, and indicate whether the UKCC has any record of the below-named, advising us if either of them has been the subject of complaint or investigation by yourselves in respect of any matter relevant to the issues raised in our current enquiry:

HAMPSHIRE Constabulary

- Staff Nurse:
- General Registered Nurse:

An early initial response would be appreciated by 14.00 hours on Monday 21st May 2001 if at all possible.

Yours sincerely,

Ray BURT
Detective Chief Inspector
