Subject: Casefiles to GMC and NMC.

Chris..

As discussed, within the next couple of months can you package up the casefiles in respect of the following cat 1 and 2 cases using the previous format and deliver to the GMC and NMC..

Let me either myself or Nigel know when you are ready to deliver and we will write a covering letter and general update to accompany the files.

Dick.. Please raise an action to Mr McKEOWN to this effect..
