Code A

In respect of these cases the Action should read 'TI FGMs of *name of subject* as per attached instructions by Code A Code A doc number'

The Doc number should relate to the attached, which is an amended version of the original briefing.

Baker cases

From documents in the system 2 of Bakers - LAKE & DUMBLETON are currently unclassified. How should the actions be raised in respect of these two?

Dick,

Please raise actions re the BAKER 16 cases as follows.

In respect of category 2 cases 'TI FGMs of *name of subject* as per attached instructions by Code A doc number'.

In respect of category 3 cases 'TST FGMs of *name of subject* as per attached instructions by Code A doc number'.

<< Message: Baker cases >>

Thanks,

Code A
