Dear Roy

Re: Gosport War Memorial Hospital

Please find enclosed a copy of a letter from Blake Laphorn of 18<sup>th</sup> February.

They seem to be bouncing in and out of the arena quite regularly.

You will see that there is a request for Additional Disclosure. I cannot find any report from Professor Forrest in any of the paperwork that I have nor do I have the 1991 document or Professor Richard Bakers report.

I suspect I have the additional statements from Nurse Turbitt, Barrett, Hamblin and Bell if I can ever find them. I have not seen the statement of Debbie Barker so far as I am aware and I certainly do not have radiology, brain scan for Elsie Devine.

Have I ever seen the minutes referred to in respect of Nurse Giffin.

I have received a medical certificate relating to

have excused her attendance at this stage and will attempt to take her evidence under rule 37 or I will hear applications on 18<sup>th</sup> March.

If you can help with the enclosed letter from Blake Laphorn I would be most grateful.

Yours sincerely
