Dave

Spoke with Paul HYLTON this morning, direct dial number **Code A**. He is unable to give any time scale save that Field Fisher Waterhouse Manchester branch are now dealing with the matter, although they only had the brief for about one month they did pick up the investigation from Eversheds so some of the work was already prepared although whether there investigation is running along the same lines he was unable to say. He would be more than happy to speak to the coroner if he wished to speak to him direct and stressed that there investigation should not hold up the coroner in any way
