Sir,

Gillian Mckenzie phoned today asking to speak to you. She talked about a letter from you re notes on the Haslar file in which you mentioned words along the lines of you not being a medical expert. She says that she has been in contact with the Royal Marston Hospital and they say that all of the points re her mothers blood counts are valid. She would like acknowledgement from you that you have received the letter and that you have forwarded the above to the experts.
