Dear All..

Thankyou for your continuing efforts with these actions..

Please prioritise your work around the Devine, Lavender and Code C cases, particularly the key witnesses, Consultants, GP's, Doctors and Senior Nursing staff. I am looking to complete this work including interviews with Dr BARTON by the end of March.. Interview dates have been scheduled with Dr BARTONS legal representative.. We will be interviewing Dr BARTON monthly

I would like to see significant progress with Lake and Cunningham by the end of April..

The evidential experts should both have completed their work around the first five cases by the end of April..although Dr BLACK is now into the final five cases..

Code A is returning to force crime unit at the end of February 2005 as we have extended his secondment beyond the agreed date.. He is being replaced by Code A who I am sure will also be an asset to the investigation.

I have attached Code A Useful Action Review for your information..

Office Conference.
 All to attend please Thursday 3rd March 2005.. 0930hrs.

DW.
