**CONTENTS****1. INSTRUCTIONS**

To examine and comment upon the witness statements in the case of Enid SPURGIN. In particular, if they raise issues that would impact upon any expert witness report prepared.

**2. DOCUMENTATION**

This report is based on the following document:

2.1 Witness statements to the hospital care and death of Enid SPURGIN provided to me by the Hampshire Constabulary (June 2006). In total 16 statements.

2.2 Report regarding Enid SPURGIN (BJC/45) Dr D BLACK 27<sup>th</sup> June 2005.

**3. COMMENTS****3.1 Comments on Witness Statement (2.1)**

3.1.1 I have read all the statements and would make note that both Dr HARBAN and Dr GURNEY refer to the Haslar admission. In paragraph 5.2 of my report I note that the Haslar notes are not available and it appears I have not seen JR/14. However there is nothing in these statements to change my expert statement.

**4. CONCLUSION**

4.1 Having read all the documents above provided by Hampshire Constabulary, I would not wish to make any change to my expert report.
