I thank you for this. I shall telephone Mrs Ward on Monday morning, to ascertain exactly what advice she is looking for. I am in quite constant contact with her anyway, so I don't think there are any burning issues right now.

For your information, the Gosport Database is to be found in P: Generic: Gosport. For safety reasons, I would ask that all additions/amendments are sent to me by e-mail, and I shall take responsibility for updating it.

Any more queries, please just ask.

I have come across a note I made in Gosport that a Mrs Ward, who said she had had given us a statement, would like specific advice as to how best she might proceed.

I wonder if this could please be picked up at some stage if it has not already been done?

I would also be grateful if you could please let me know **Code A** address & correct spelling of her name so I can return some papers she gave me.

Thank you.
