Dear Mr Farthing

Re: Thalassa Nursing Home

I am informing you of the current position regarding the investigation into the concerns that you have raised about the above nursing home whilst your step-father, Mr Cunningham, was a patient there.

A formal request has been forwarded to the Department of Medicine for Elderly People for the medical and nursing notes which were written during the period that Mr Cunningham was a patient on Dryad Ward, Gosport War Memorial Hospital.

Once they have been received, the Registration and Inspection Unit will be in position to proceed further with the investigation.

I will write to you again the investigation has been concluded.

Yours sincerely
