Thank you for your letter about the War Memorial Hospital.

I recently met the Chairman and Chief Executive of the Primary Care Trust and have a further meeting arranged with them shortly. Also, we are, of course, awaiting the CHI report on the hospital. I am also in touch with the police.

This is a most sensitive issue and I should like to express my sympathy to those who have been bereaved.

I will write to you further in due course.

Yours sincerely,

Code A
