hi!

Gladys Richards dec

Very good to hear from you.

There have been important developments. I hope you are keeping well. What has happened is :-

- We have had the pre-inquest hearing
- The inquest is now listed on 25 October 2011 for two weeks
- The coroner asked for written submissions as to the need for funding, which we have provided to him. I can send you a copy of these
- The coroner now states that representation would assist him. I can send you a copy of his letter
- I have asked counsel for revised costings and am still awaiting to hear from him
- We need to revise our own costings in light of the new time estimate

Would you be able please to keep this on hold until I return you with the updated information please? I am out of the office tomorrow but back in next week and will chase up counsel again.

Is this okay with you please?

Best wishes

John
