sickness & diarrhoea bug.

Date of admission

End of April, beginning of
May 2000

Alleged cause of death

Gross neglect.

Brief description of circumstances of death (five lines)

Failure to 'Blue Light'
on the morning of 5th May
2000 from GWH to St Marys
lead to untreatable
dehydration, organ failure,
urinary tract infection, septic
shock, fluid on lungs.....

Names (if known) of any of the doctors or nurses who
provided the treatment.

Dr. Knapman admitted mum.

Which ward were they on?

SULTAN WARD

Was Diamorphine and or any other treatment administered
through a syringe driver device?

Unknown.

What regime for fluid intake was there?

None.
There were no charts.
No assistance provided.

What investigations have been undertaken so far?

- NHS investigation following
letter of complaint and
- police investigation.

Was there a police investigation? - give details

Yes, operation Rochester.
 Finding:- no criminal cause
 for prosecution but there
 could well have been medical
 neglect. The papers were
 passed to the medical
 conc. Mum was in the most
 serious of cases being investigated.

What documents do you have? - please list the types

Everything was passed onto
 the medical conc.

What are the main reasons that you consider that there
 should be an inquest in the case of your relative (five lines)

to follow
 Failure of hospital procedures
 lead to gross neglect - no fluid or
 food charts completed, absence of
 medical notes & information.
 serious lack of communications
 between nurses and consultant.
 Failure to listen to the family.

Do you give permission for us to provide a copy of this
 questionnaire to the Coroner and to request that you are
 included within the inquest?

Yes.

Please let us know if there is anything else you consider to be
 relevant? (three lines)

Doctors & consultant at
 St Marys were shocked
 at mums condition on
 arrival and told us to be
 prepared for the worse.
 Mum was moved in the
 early hours of 6th May to
 intensive care at QA where
 she died at 2.30am on the
 7th May 2000.
