Reason why admitted to Gosport

FOR REHAB. BEFORE COMING HOME.
NOT TO D.E.

Date of admission

Not sure of date of admission.

Alleged cause of death

Brief description of circumstances of death (five lines)

My Nan was put on a syringe driver device, which was diamorphine. My nan was laughing the day before she died she seemed fine to me. The nurse said we will ring you if she gets worse & why say that when she was fine.

Names (if known) of any of the doctors or nurses who provided the treatment.

Not sure of the names.

Which ward were they on?

CAN'T remember.

Was Diamorphine and or any other treatment administered through a syringe driver device?

YES.

What regime for fluid intake was there?

DON'T know.

What investigations have been undertaken so far?

NONE SO FAR. I just think she wasn't suppose to of died then, not there. Not when she look so well. She was taken out of Q-A because she was getting better. warmemorial was a the next step before coming home. NOT TO DIE!

Am no Doctor BUT I know there was something NOT

Right Blake Laphorn Tarlo Lyons with the Doctors + NURSES

the natural choice in law

Was there a police investigation? - give details

No.

What documents do you have? - please list the types

NONE.

What are the main reasons that you consider that there should be an inquest in the case of your relative (five lines)

Because I know what I saw the day before she died. She was laughing then next time we saw her she was dead.

Do you give permission for us to provide a copy of this questionnaire to the Coroner and to request that you are included within the inquest?

YES.

Please let us know if there is anything else you consider to be relevant? (three lines)

CAN'T SEE how they work out Dementia I know people who suffer from this my man was not a sufferer.
