requires work done, but still concerns so  
bring in a senior clinical nurse to oversee  
work done on wards (clinical supervision)

Tues 17. Sept.

- ① Advice on Nurses. 1. Don't need to suspend.  
2. NMC are likely to adjourn pending  
the audit.

Jane Heyden-Smith? No 'employment reasons' to suspend.

esp as CHI has said they are practising safely now

Even NMC decision is to investigate we have no reason  
to suspend. CHI no significant concern with nursing  
care.

- ① Do - separate out operators from nursing - list  
② what we are doing - what we want to do. <sup>nurse</sup> consultant  
③ sought advice from senior nurses at DOH legal advice  
④ HOT has happened since CHI - also senior  
nurse consultant.

② Communicability?
