Thanks Lucy. I will amend my file copy.

I am concerned about that fact that we have not seen the brief that has gone up to Lord Hunt, as we have no way of knowing if it properly reflects the issues/concerns, but there is nothing we can do about that.

I look forward to speaking to both you and Margaret when you have had the chance to read my letter. I am working on the basis that you will want me to attend the Rem Committee meetings but you may feel that will be unnecessary - can we agree whether or not I need to be there when we speak on Monday.

I will be in Southampton over the weekend(!) but if either of you need to speak to me then please ring me on the mobile - [Code A]

Regards,

JHS
