The CHI Review Team will present their preliminary feedback to the PCT on Thursday 15 April commencing at 9 am promptly. It is important that we have your attendance for this session and I would appreciate it if you would ensure this date is in your diary. Although the CHI Team will be at Fareham Reach for the day, you will only need to attend the meeting in the morning which is expected to last between 3-4 hours and finish no later than 1 pm.

Thank you.

Regards,

**Ian Piper**
