Dear Sarah

I hope you are well.

Following the conclusion of the Gosport inquest last week, we are preparing to put our live complaints back to the PPC so that they can decide whether any should be closed or adjourned further pending the outcome of the GCM procedure/further investigation. We will be writing to all of the registrants involved to explain the position to them.

It would be very helpful if you could let me know if you have any idea of the GMC's current timescale for its final hearing.

Also, do you have a copy of the narrative verdict of the inquest that you could let me have? Please don't worry if that's not possible, I will go direct to the coroner otherwise.

If you would like any further information from the NMC please do not hesitate to ask. I will keep you informed of developments.

Finally, on a different point, we are still waiting for the final judgement in the McNicholas case. As soon as we receive it I will forward it to you.

Regards

Clare
