Dear Ms Percy

Registered nurses at Gosport War Memorial Hospital

The Nursing and Midwifery Council, as the regulator for the nursing and midwifery professions, has received complaints concerning several registered nurses employed to practise at Gosport War Memorial Hospital. Our Preliminary Proceedings Committee (PPC) is considering the matter.

We believe it would be helpful to set up an informal meeting between you and/or an appropriate executive director at this time so that we can share with you information about these proceedings and request information from the Trust. We would propose to send the details of our request in advance of the meeting, once we have agreed a date.

For your convenience, and subject to your agreement, Code A
 I, Code A, and I would propose to visit the Trust. Could I ask you to select a date between 28 September and 16 October 2009 and let me know when would suit you?

Thank you in advance for your consideration of this request. Please telephone me on Code A if you would like to discuss this further.

Yours sincerely

Code A
