Dear David,

I want to confirm my understanding of progress after our meeting on Friday. I also wanted to touch base with Detective Superintendent Williams but unfortunately I left the files with you so do not have his e-mail address so I would be grateful if you could forward a copy of this to him for information.

- 1 You will open inquests for the ten identified people asap
- 2 I will meet with Supt Williams to discuss witnesses, PIP's, timing, time estimate etc and the mechanics for a pre inquest hearing
- 3 We agreed a provisional time estimate of four weeks and I suggested I would not sit on a Monday to allow some time to deal with my own work load during office hours
- 4 I have copied this e-mail to Glen Taylor because I will need to discuss finance with him generally but also to canvass the need for a court usher/body to marshal proceedings at the hearing
- 5 I did raise the question of exhumation but would not propose proceeding with any at this point but I think we will need to listen to any application at a PIH
- 6 I do not think I can do this without a jury but will take soundings at the PIH

I would hope to have a PIH in June with an Inquest date in October probably subject to any representations.

Please let me know when Inquests have been opened.

Regards,

Andrew
