Mary

I will ask Dr Jarrett who is the only one who will have these documents in No 1 now, unless Elaine can help as DMOP was managed by East Hants PCT at the time. Also not sure what Kiran means by updated policies in No 2. Does she mean policies in place now? Also, policy on dealing with verbal orders, does she mean one in place now, or back then?

Hi Sue

I have asked a couple of people in the PCT for their recollections, but thought I would pass it to you in case you have records at your end that might help.

As always, the time frame is as soon as possible!

Thanks for your help earlier, regards

Hi Mary

Thanks for the notes. Spoke with Briony a few minutes ago and in terms of documentation she

has asked we continue to look for the following and get copies of:

- 1) any correspondence received from Dr Barton for the period late 1999/beginning 2000 (ref the concerns she says she brought to the attention of management)
- 2) updated policies on pain management and any updates in any policies which touch upon Diamorphine, Midazolam and Chlorpromazine
- 3) a policy on/dealing with verbal orders — *Nursing practice*

Some of these may require you to make contact with Sue Skye. If you think it would be easier/better for me to do so let me know.

Kind regards

Kiran
