She may not have been imaged there but there is a chance images from one of the other sites could have been filed there - deparate measures I know but if you could say you have checked files and found nothing that will suffice
 THanks

Sarah

Hi Sarah,

We have searched and she has never been here so we have nothing concerning her in our files.

Best wishes,

Liz

Liz please could you just check one more time whether you still have anything on file for this lady - CT scan images in particular
Gill could you ask George t do the same
Gill could you ask Pat P if she keeps records of films sent to lawyers / police and whether any are tracked out for this lady at all from 1999

Thanks

Sarah
