Hi Richard

Thanks for confirming the estimate, which is fine. I'll get the exhibits over to him shortly.

Kind regards

Hi Briony

I think our limit is 20MB each email. Rather than do the job twice, I wonder if it would be best if you could send directly to Peter Mant, copying myself and Yindi? Yindi can give you the email address if you don't already have it.

By the way, before seeing the exhibits, Peter's clerk is estimating £8,000-10,000 for the Barton advice. I imagine that will rise a bit once he has gone through the exhibits but that it will be in a similar ball park. I assume that is OK for you?

Best regards

Richard

Hi Richard

I've received the Barton exhibits from the GMC. There are about 20 emails of 10 or less MB each, with up to 4 docs per email. Do you know what your incoming mail size limit is or shall I just send them as I've received them, i.e. in 20 or so emails?! The only problem is I will need to password protect them all first!

Thanks

Briony
