Dear Sandra

I can confirm that we will be considering the decision of the GMC's Fitness to Practise Panel of 29th January 2010 in the case of Dr Jane Barton under our standard procedures under Section 29 of the National Health Service Reform and Health Care Professions Act 2002. Any appeal by CHRE to the High Court in this case would have to be lodged by 1 April 2010. We will not be taking a decision on this case until that time.

If you have any information you would like us to take into consideration when reviewing this decision, please forward this to us as soon as possible.

We will let you know the outcome of our consideration.

Kind regards,

Rachael Martin
