Subject: Dr Barton decision

Dear Ms England

Further to your emails to my colleagues and me in early March, I can
confirm that we considered the decision of the General Medical Council's
Fitness to Practise Panel in the case of Dr Jane Barton in accordance
with our normal procedure under Section 29 of the NHS Reform and Health
Care Professions Act 2002. However, we decided not to refer the case to
the High Court.

Further reasons for our decision can be found on our website at
http://chre.org.uk/media/18/214/

Please do not hesitate to contact me if you have any queries.

Regards

Briony
