make sure that the departments concerned are aware of your Study and the hospital is authorised to hold and dispose of the proposed radioactive isotope.

18. INFORMATION AND CONSENT

PLEASE MAKE SURE THAT ALL PATIENT INFORMATION SHEETS ARE CLEAR AND UNDERSTANDABLE. PLEASE MAKE SURE THAT EITHER THE CONSENT FORM OR THE INFORMATION SHEET MAKE IT VERY CLEAR THAT THE PERSON TAKING PART IN THE STUDY MAY LEAVE AT ANY TIME WITH NO DETRIMENT TO THEIR FUTURE TREATMENT.

OVER-LONG OR BADLY DESIGNED INFORMATION AND CONSENT SHEETS ARE THE MOST COMMON CAUSE OF DELAY IN APPROVING STUDIES BY THIS COMMITTEE.

19. WHO WILL GIVE THE VERBAL EXPLANATION OF THE STUDY ?

Practices will receive a written explanation, but the investigators will be available by telephone or face-to face to answer any questions that arise.

PLEASE APPEND THE LETTER INVITING PEOPLE TO TAKE PART AND EXPLAINING THE STUDY AS IT WILL APPEAR, I.E. USING YOUR LETTER HEAD ETC. IF THERE IS NO WRITTEN INVITATION AND EXPLANATION, PLEASE JUSTIFY.

20. HOW LONG WILL THE SUBJECT HAVE BETWEEN THE EXPLANATION AND BEING ASKED TO TAKE PART? IF LESS THAN 24 HOURS, PLEASE JUSTIFY.

Practice consent is undertaken by post, and therefore practices have several days or weeks.

21. DO YOU HAVE THE AGREEMENT OF OTHER HEALTH CARE PROFESSIONALS (eg nurses, doctors, X-Ray etc) WHO MIGHT BE CLOSELY INVOLVED IN THE CARE OF THE PATIENT?

NO

PLEASE ATTACH THE LETTER TO THE PATIENT'S GP IF THIS IS APPROPRIATE.

The study requires the consent of health professionals, and they are the subjects in the study.

22. PLEASE SAY WHAT FUNDS WILL BE USED AND WHO WILL BE PAID FOR THE STUDY. STATE THE PAYMENT PER PATIENT IF THIS IS THE METHOD OF FUNDING.

The NHS Service Development and Organisation R&D Programme has been asked to fund the study (full proposal attached).
