Dryad Ward Results

Controlled Drugs Audit

- Report for:** The team on Dryad Ward
- Audit Lead:** Ross Mitchell
- Rationale:** Change in law and national guidance around controlled drugs require stricter controls. The medicines policy has been updated to reflect this and will require ongoing audit.
- Frequency:** This audit will be carried out quarterly. This is the second quarter of year 1.
- Objectives:** To ensure adherence to legal and national standards of controls around the recording and requisition of controlled drugs.
- Data collection:** September / October 2008
