5th December 1991

Due to the lack of response to my memo of the 7th November Dr. Logan will be unable to comment on specific cases, however, we have arranged a meeting for all members of staff at Redclyffe who have concerns on the prescribing of Diamorphine on Tuesday 17th December at 2 p.m. to discuss the subject in general terms.

It is not our intention to make this meeting in any way threatening to staff, our aim is purely to allay any concerns staff may have so I hope everyone will take the opportunity to attend and help resolve this issue.
