Dear Gareth

I attach a copy of a letter I have today sent to Margaret Scott, re. my temporary redeployment. It reflects the legal advice given and my wish for my personal situation to be resolved at an early date for the benefit of all concerned.

I appreciate the complexities and the efforts you are making to move things forward. Hopefully, as anticipated, you will be able to clarify the process in the next few days.

I am grateful the Strategic Health Authority have agreed to meet the costs of the legal advice provided to date and attach the invoice which I have just received.

Yours sincerely
